## **FIELD TRIPS**

*We will be canceling field trips until we can hire a bus driver.*

## **Price Increase**

*With the cost of expenses going up it was necessary to raise our prices in September. I have attached the new prices to this newsletter.*

## **Reminders**

*Your child will be starting his new class this morning.*

*Drive slowly through the turn around. You never know when a child may be going home.*

*Shut and Lock the gate when you come through it. This helps protect our children.*

*Parents, Please hang up your cell phones when you enter the daycare. Your child is excited to see you and we may need to talk to you.*

*Remember to bring your child a small blanket for nap time. They may also bring a small pillow and one small stuffed toy.*

*If you will be in the building longer than five minutes, please park in the parking lot.*
